Interactive Art Director

Indiana University, Office of Creative Services, Bloomington, Indiana
September 2006 – Present

New media design and development in a web team environment to promote the University-wide web presence. Art direction and implementation of design systems, art direction of photo and video shoots, and creation of interactive Flash and video modules.

Adjunct Instructor

Ivy Tech Community College, Evansville, Indiana
August 2003 – Present

Taught a variety of graphic and web design courses, both in-class and online, and from foundation to advanced levels of learning. Developed new curriculum and resource material for web and interactive design courses.

Director of Interactive Design

AXIOM Marketing and Advertising, Evansville, Indiana
January 2006 – April 2006

Creation and expansion of the web and interactive services. Art direction, design, and programming of web sites, creation of Flash motion/interactive modules for online delivery, and design of Flash CD-ROM applications.

Graphic/Web Designer

AXIOM Marketing and Advertising, Evansville, Indiana
July 2003 – January 2006

Collaboration with creative director to create corporate identities and printed collateral. Creation of retail print-advertising materials from concept to pre-press production. Design and programming of Flash motion/interactive pieces for online and CD-ROM applications. Responsible for web site design and front-end development.

Production Artist

Ameristamp, Evansville, Indiana
June 2000 – March 2003

Creation of various printed signage from concept to pre-press production.

Freelance Graphic Designer

Bloomington, Evansville, Indianapolis, Los Angeles, Philadelphia
November 2002 – Present

New media design and development for the web. Print graphic design and production.
